Mizzou Homecoming

By the third week in October, football season is well under way, and the time has rolled around again for the University of Missouri Homecoming parade.

Heritage Festival & Craft Show

A visit to the Heritage Festival in Columbia doesn't just turn back the clock, it turns back the calendar. Historically attired tradesmen and artisans put their skills on display, as well as their wares.

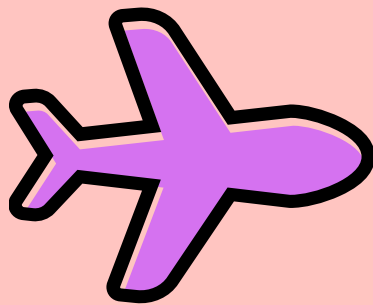

Show-Me State Games

For athletes and their fans, the Show-Me State Games are the ideal proving grounds. In June, lacrosse, swimming, pickleball, soccer and volleyball are on offer.

Art in the Park

It isn't just paintings. When the Columbia Art League sets out to create an art festival every year in June, the palette ranges from sculpture to clothing to fabrics to ceramics and, yes, paintings in every medium and genre.

Salute to Veterans Memorial Day Weekend Celebration

The sky's the limit in May, when patriots descend on Columbia -- literally, in some cases -- for the year's signature celebration of those who have served the United States' armed forces.
